

County of Sacramento Native American Caucus

# Allan Olvera Memorial Scholarship

Allan Olvera was a Miwok Indian who worked for Sacramento County for 11 years and was Vice-Chair of the Native American Caucus. He was very active in the Native American Community; giving his time to help elders, youth, and the less fortunate. Allan's life was tragically taken in 2001 and although Allan's journey was cut short we are committed to continuing that journey by offering a scholarship in his name. We are looking for recipients who, like our brother, must be active in their community. We want to help those that help others.
