JOB SEEKERS!

Come to Career Connections/ Job Club!

Don't miss this opportunity to attend a CalWORKs Employment Workshop for free. We teach you the skills you need to make you shine above other candidates so you'll get the job and start moving up your career ladder!

What is Career Connections/Job Club?

Career Connections is an interactive comprehensive training available for CalWORKs Welfare to Work (WTW) participants through the Job Club/Job Search program at various locations throughout the county. Participants will learn about life skills, resume writing, interviewing skills and job search strategies for the 21st century.

What can I expect while in Job Club/ Job Search?

When the classroom portion of Job Club is complete, you will begin a Job Search program that will be designed based on your work experience. You will begin to be referred for job interviews during this phase. You will also have the opportunities to attend workshops covering a variety of topics including mock interviewing, financial literacy, budgeting, job retention and more.

How do I enroll in Career Connections/Job Club?

Contact your Welfare to Work worker and request enrollment in Career Connections Job Club/Job Search. If you don't know who your worker is, you can call 916-874-3100.

Supportive Services:

Supportive services are provided to help WTW participants while they work or participate in approved WTW activities.

Supportive services may include:

- Transportation Payments – To help participants in getting to their activity.
- Child Care subsidies – child care can be approved to eligible providers through our Stage One Child Care Program.
- Interview Clothes – Payment provided to participants for assistance with professional clothing appropriate for interviews.

Testimonial from participants:

“Without Job Club I don’t believe I would have gotten a job as quickly as I did.”

“It put me in the right mindset to get myself a job. The program gave me a new prospective on my long tern career goals.”

“I received additional knowledge and skills through the Job Club experience. I am greatly appreciative of the program and the guidance I received.”

“I was struggling with every skill and Job Club helped. From my resume to the interview an everything in between.”

I now have the confidence and skills I need to go on an interview.”

While you're in Job Club/ Job Search, you will have access to the follow services:

• Subsidized Employment Program

Through the Subsidized Employment program, WTW participants can be placed in paid, permanent positions.

• Vocational Assessments

Vocational Assessment Counselors work with participants to develop vocational and self-employment plans, referrals for Learning Disability assessments, and degree evaluations.

• Community Work Experience (CWEX) Program

CWEX places WTW participants in non-paid work experience with public, private non-profit, or private for-profit businesses. The goal of the program is for participants to learn valuable on-the-job skills and move into paid employment .

• Job Talk

Job Talks are offered throughout Sacramento County for all WTW participants. Job Talks are designed to connect employers with potential employees. You will also get referrals to current job openings, one-on-one job search assistance, and the opportunity to personally speak to employers about current openings.
